

# Amended Anti-Gambling Bill As Passed by House

The following is the full text of assembly bill No. 74, the so-called anti-gambling measure, the interpellations being the amendments as tacked on by the senate:

Section 1. It shall be unlawful for any person to deal, play or carry on, open or conduct in any capacity whatever, any game of faro, monte, roulette, lansquenet, roguenet noir, rondo, fan, fan-tan, stud-horse poker, seven-and-a-half, twenty-one, hockey pokey, craps, klondyke, (whist, bridge whist, slough, solo, poker) or any banking or percentage game played with cards, dice or any device for money, property, checks, credit, or any representative of value; or any gambling game in which any person keeping, conducting, managing or permitting the same to be carried on receives, directly or indirectly any compensation or reward, or any percentage or share of the money or property played, for keeping, running, carrying on or permitting the said game to be carried on; or to play, maintain or keep any slot machine played for money or for checks or tokens redeemable in money; or to buy, sell or deal in pools or make books on horse races; and any person who violates any of the provisions of this section shall be guilty of a misdemeanor and shall be punished by a fine not exceeding one thousand dollars (five hundred dollars) or by imprisonment in the county jail not exceeding one year (six months) or by both such fine and imprisonment.

Sec. 2. Every person who knowingly permits any of the games or slot machines mentioned in the preceding section to be played, conducted, dealt, or maintained in any house, building or part thereof owned or rented by such person, shall be punished as provided in the preceding section, and every day of the violation of any of the provisions of this act shall be deemed a separate offense.

Sec. 3. If any person shall keep exhibit, or have in his possession, any cards, tables, checks, balls, wheels, slot machines or gambling devices of any nature used or kept for the purpose of playing at any of the games mentioned in section 1 of this act, or shall aid, assist or permit others to do the same; or if any person shall engage in gambling for a livelihood, as defined in this act, he

shall be deemed a common gambler, and, upon conviction thereof, shall be punished by a fine of not less than one hundred dollars nor more than one thousand dollars, (five hundred dollars), or by imprisonment in the county jail not less than one month and not more than one year, (six months) or by both such fine and imprisonment.

Sec. 4. It shall be the duty of all sheriffs, constables, police and other peace officers whenever it shall come to the knowledge of such officer that any person has in his possession any cards, tables, checks, balls, wheels, slot machines, or gambling devices used or kept for the purposes aforesaid may be found in any place, to seize and takes such cards, tables, checks, balls, wheels, slot machines or other gambling devices, and convey the same before the district judge of the county in which said devices shall be found; and it shall be the duty of such judge to inquire of such witnesses as he shall summon or as may appear before him in that behalf, touching the nature of such gambling devices, and if such judge shall determine that the same are used or kept for the purpose of being used at any game or games of chance described in section 1 of this act, it shall be his duty to destroy the same. It shall be lawful for officers in executing the duties imposed upon them by this section to break open doors for the purpose of obtaining possession of any such gambling devices; and all persons having such possession of any of the articles aforesaid, shall be conveyed before the district judge of such county and held or committed for appearance to answer any complaint, which may be preferred against them for violation of any of the provisions of this act.

Sec. 5. No person, otherwise competent as a witness, shall be exempt from testifying as such concerning offenses of gambling, as set forth in this act, on the ground that such testimony may criminate himself; but no prosecution can afterwards be had against him for any offense concerning which he testified.

Sec. 6. The term "person," where used in this act, shall include all individuals, firms, partnerships, associations and corporations.

Sec. 7. This act shall be in effect from and after the first day of September, 1909. (October 1, 1910).

## ARGUMENTS TO BE FINISHED THIS MORNING

IT IS ALMOST CERTAIN THAT SAFE CASE WILL GO TO JURY TODAY.

Again, contrary to all expectations, the case of the Herring-Hall-Marvin Safe company vs. Letson Baillet was not given to the jury yesterday. The closing argument for P. M. Bowler, counsel for the defendant, consumed the entire day and owing to the court being occupied by other matters at the night session the case was continued until this morning when the closing argument for the plaintiff will be delivered by H. R. Cooke, and then it will be given to the jury for their deliberations.

## HOTEL HOLLAND WILL THROW OPEN DOORS TODAY

A LARGE DELEGATION WILL LEAVE TONOPAH TO HELP CELEBRATE.

Two automobiles loaded to the guards will leave Tonopah this morning for Pioneer. ## VOLUNTEERS' HOUSE WARMING WAS CROWDED

FIRE LADIES ENTERTAIN LAST EVENING IN THEIR NEW GYMNASIUM.

The gymnasium of the Tonopah volunteer fire department was crowded to its utmost capacity last evening when the volunteers entertained the people of Tonopah. An interesting program had been prepared and every feature elicited a large amount of applause. Following the program everybody adjourned to the Miners Exchange hall where dancing was indulged in until midnight. The affair was a success in every way and a most enjoyable time was spent by the crowd that attended.

## WESTALL WILL TRY OUT WITH PUEBLO TEAM

MONTANA-TONOPAH PITCHER TO LEAVE THIS MORNING FOR COLORADO.

Allie Westall, the former University of Nevada pitcher and who also officiated in the box last season for the Montana-Tonopah baseball team, leaves this morning for Pueblo, Colorado, where he will try out with that team, and if he makes good will pitch the coming season. "Westy" received his transportation yesterday as the result of a lengthy communication with the Colorado team. His loss to the baseball industry of this city is keenly felt among the fans. It is his intention to return to Tonopah as soon as the Colorado season closes and probably sooner.

## PREDICTS SPIRIT IN MINING STOCKS

JOHN W. FINCH SAYS THE EAST IS TAKING A LIVELY INTEREST IN BEST STOCKS.

John Wellington Finch, formerly general manager of the Consolidated Mines company, and now an operator with offices in Denver and New York, arrived in Goldfield Thursday, the first visit he has made to that camp since his tour of Europe.

"So far as Goldfield mining stocks are concerned," said he, "they were never in better favor in the east; that is to say, the better class of securities. The present production and dividend possibilities of this camp count very emphatically in the east, and when the general situation eases up a little Goldfield will start forward with a spurt. All stocks, including the best industrials, have been dormant, and now they are beginning gradually to take on new life. There is a very healthy undercurrent and one of these days we will all see a decided renewed activity in the market. Of course, the silver and lead stocks are particularly affected by the tariff, and during the present session not much can be expected in those lines. Big investors are also waiting for definite action on the tariff before letting loose of their money."

## REQUIRED ONE VOTE TO MOVE STATE CAPITAL

CAPITOL WAS SAVED THROUGH SENTIMENT OF MAN WHO BUILT IT.

The state capitol almost went to Virginia City once, lacking but one vote.

The capitol removal flurry recalls several instances when people thought Carson City was about to lose it. When Senator Fowning was alive he made periodical grand stand plays about removing the capitol to Reno. He never had the slightest intention of doing it, but he knew that it gave him prestige in Reno and votes when he ran again.

One night Joe Goodman, Rollin Daggett and Jonas Seeley got on a big bat and left Virginia City in a hack without knowing whether they would land in Eureka or Reno, when they woke up. The driver thought they asked him to go to Carson City and he headed in that direction.

Early in the morning the hack reached Carson City and the three men getting out at once began a campaign of education. They announced that they came to move the capitol to Virginia City. They flooded Main street with wine and soon had most of the members of the legislature drunk. A bill to move the capitol to Virginia City passed the house with a whoop. It came within one vote of winning in the senate.

Senator Curry who built the capitol had promised to vote for it and the next night while walking with Joe Goodman near Clarks hill he burst out crying and told Goodman that he could not vote to move it for sentimental reasons. Goodman released him from his promise and the capitol remained in Carson City.
